Supervisory Agent Parker

On August 6 & 10, 2001 you signed for certified mail from me to the Honorable Attorney General John Ashcroft. (see attached)

I am asking you to please tell me what has become of my documents and correspondence since it was receipted for almost one month ago and I have not received a reply. The correspondence and accompanying documents refer to a violation of federal law and the resulting consequences that are a matter of National Security. Please write or call me to inform me as to what is or has been done regarding my correspondence.

Thank you very much for your prompt response

Respectfully
